Grant Goodman : Agent Darcy and Ninja Steve in...Robot Rumble! (Volume 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Agent Darcy and Ninja Steve in...Robot Rumble! (Volume 2):

0 of 0 people found the following review helpful. Loved the follow up the Tiger TroubleBy CustomerLoved the follow up the Tiger Trouble. The books starts off fast with lots of action and keeps up the pace throughout. A fun and fast read that was super entertaining.0 of 0 people found the following review helpful. My 8yr old loves both these books about agent Darcy ...By Thomas HMy 8yr old loves both these books about agent Darcy and ninja Steve. He keeps asking for the 3rd one. I hope there's another one soon.0 of 0 people found the following review helpful. I wish I was Ninja SteveBy AdamI wish allowed for more than five stars. I loved Grant Goodman's first book in this series and felt the second was a superb follow up. Couldn't have been happier. The story was creative, the imagery was elaborate, and the jokes were hilarious. From start to finish, I read this in two days; simply couldn't put it down. If you are reading these reviews to determine if it's worth getting, let me ask you: Do you like ninjas and spies? Of course you do. Everyone does. Read this book.

Since returning from her mission in Ninjastoria, Agent Darcy can't think straight. Her hacking lessons with Agent Evelyn are boring, her classes seem pointless, and her curse can't be cured. Ninja Steve has come home to find that his parents have been captured. His sister, Nora, has a rescue plan, but it requires a treacherous journey beyond the borders of Ninjastoria. When the mecha-moles launch an attack on the Bureau of Sneakery, Darcy finds herself on a perilous mission to save her comrades. Meanwhile, a familiar man in a gray mask arrives in Ninjastoria, carrying a mysterious gift that can't be good for anyone. Or can it? Every move brings Darcy and Steve closer and closer to the sealed-off country of Botsylvania, where a power-hungry robot is ready to start a revolution. Get ready for spy gear and spin-kicks. Get ready for danger and daring. Get ready for Robot Rumble!

About the AuthorGrant Goodman teaches middle school English in Montgomery County, Maryland. He is fueled by Ray Bradbury stories, dim sum, and Frank Turner concerts. You can learn more about his books at www.GrantGoodmanBooks.com
